Dear Voter,

Thank you for taking time to vote in the last Bond Election. Since that Election, we have asked voters what they would support. The three main recommendations we received were as follows:

1. Reduce the amount of the Bond
2. Do not build the Elementary School at the High School Site
3. Reduce Operational Costs

This Bond Proposal addresses all three of these recommendations plus more.

1. The Bond amount will be reduced from \$27,550,000 Or 2.94 mils to \$16,690,000 or 1.5 mils.
2. The new Elementary School will be built on the Three Oaks School site.
3. Student learning will be enhanced.
4. School security will be improved.
5. Operational costs will be reduced.

Enclosed is a brochure that will answer other questions related to the Bond. We have also scheduled community meetings as follows:

Chikaming Campus on July 9TH @ 7:00pm Three Oaks Campus on July 15th @ 7:00 pm

New Troy Community Center (former Elementary School) on July 17th @ 7:00 pm

River Valley Middle/High School Campus on July 21st @ 6:00 pm

We feel that this Bond Issue will enhance educational opportunities for our students. Please become an informed voter. Plan to vote on August 5th. If you have any questions, you can call us at the numbers listed below.

Sincerely,

William Farhat, Board President, Phone # 269-426-8366
